

# CARDHOLDER USER GUIDE

SHAZAM BOLT\$ is a fraud transaction alerting, balance monitoring and ATM locator application. And, you can use this app to block and unblock your card with our transaction control feature!

## ENROLL

Download SHAZAM BOLT\$ for free from the Apple App Store, Google Play or log into [bolts.shazam.net](http://bolts.shazam.net) and enter your full card number to determine if your card is eligible.

Accept product terms and conditions, and proceed with the card verification process. Depending on the setup with your financial institution, you'll enter some additional card information as well as your PIN or Social Security number. Finally, create your username, password and user profile.

**Note:** Passwords must contain at least one capital letter, one lowercase letter, one number, one special character (!, @, #, \$, %, &, or \*) and be 5 to 32 characters in length. You're required to change your password every 90 days.

Once you're logged in it's really easy to add an additional card, just tap the Add Card button and follow the same prompts for registration. Accept the terms and conditions and verify the card.

## ACTIVATE ALERTS

Once logged in, you'll see your balances. Tap on the Card Actions button. Tap on the Modify Alert Settings button.

In the Modify Alert Settings tab, you may update the following settings:

- Transaction amount alerts (set amount threshold)
- Internet and phone transaction alerts
- International transaction alerts
- Enter a secondary email address to be used for transaction-level alerts

**Note:** The Suspected Fraud Alerts setting is configured by your financial institution. The SHAZAM BOLT\$ Notifications setting is not optional and indicates SHAZAM BOLT\$ will send email notifications to you whenever your user profile is edited.

## CHANGE USER SETTINGS

Access User Settings button from the SHAZAM BOLT\$ home screen to:

- Change your password
- Update your user profile

**Change your password** at any time by following these steps:

1. Tap Current and enter your current password
2. Tap New and enter a new password
3. Tap Confirm and re-enter the new password
4. Tap Submit

The User Profile button is located under the User Settings tab. Update your User Profile by tapping the field you wish to update, entering the new information and tapping Submit.

### Forgot your password?

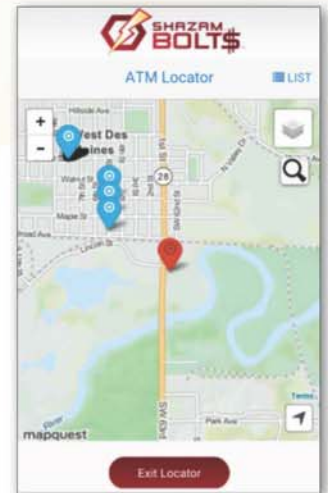

From the main login screen, tap the Forgot Password button, enter your username and follow the steps provided.

## ATM LOCATOR

To find the nearest ATM follow these steps:

1. Tap ATM Locator from the main login screen
2. Tap Search
3. Tap the location of choice or select List and tap on a location

You'll then be provided with directions to the ATM you selected.

## TRANSACTION CONTROL

Temporarily block and unblock your card by tapping the Transaction Control button on the Card Actions screen.

To **temporarily block your card**, slide the white button to the right. Transaction control is on and your card is blocked when the button is green.

To **unblock your card**, slide the button to the left. Transaction control is off and your card is not blocked when the button is white.

Your financial institution can also block your card. If you see the prompt **Blocked by your financial institution**, please give them a call.
