Rates Are Great!

Is It Time To Consider Refinancing Your Home Mortgage?

As lending rates continue to fall, it may be time for you to consider refinancing your fixed rate home mortgage, even if you have refinanced over the past few years.

If you are able to lower your home mortgage by one percentage point, it could lower the amount you owe significantly.

So how much would you save? Go to www.bradfordbank.com and click on loans. On the right hand side is our free mortgage calculator. Play around with the numbers and you will be surprised at what you can save.

Contact your loan officer today and ask them if it is to your advantage to refinance today.

Attention High School Seniors:

Bradford National Bank to Award For \$1,000 Scholarships

For the 13th consecutive year, Bradford National Bank will be awarding a \$1,000 scholarship to a graduating senior at Bond County Community Unit #1 and Bond County Community Unit #2 school district. And for the fifth year, this scholarship will also be awarded to one Highland Community High School District Unit #5 and one Triad Community Unit #2 High School graduating senior.

A total of four \$1,000 scholarships will be awarded by Bradford National Bank.

Seniors who are interested in applying, can simply download the application, fill it out completely, and submit it to their guidance counselor. Application deadline is April 15, 2012 for Highland and Triad students, and May 1, 2012 for Greenville and Mulberry Grove. Applications are also available in the guidance counselor's office.

Changes Coming in Federal Payments

The U.S. Department of the Treasury now requires all federal benefit and non-tax payments to be made electronically. (Non-tax payments include federal wage, retirement and vendor payments.) Electronic payments are safer, easier and more reliable than paper checks.

People applying for federal benefit payments must choose an electronic payment option at the time they apply for the benefit. People currently getting federal benefit checks must switch to electronic payments by March 1, 2013.

People who are already receiving their benefit payments electronically do not need to take action. They will continue to receive their payment as usual on the payment day.

BNB Honoring Our Greatest Generation

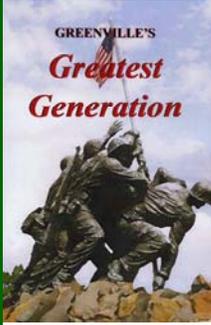

Last Fall, Bradford National Bank published volume one of Greenville's Greatest Generation, stories about our local World War Two Veterans.

The stories were written by Greenville High School Students and members of the community.

The book, which was unveiled at a Veteran's Day ceremony held at Greenville High School, was a big hit and sold out within weeks.

Because of the overwhelming demand for this book, we have again partnered with Greenville High School and are currently working on volume two. The new book will include all of the original stories and will incorporate several new ones.

The goal is to have the new book ready by Memorial Day of 2012.

The 2012 Robert Horsfall Print, sponsored by Bradford National Bank, and featuring the Bass-Mollett House, is available now at all Bradford locations.

BNB Recycle Day

In 2011, Bradford National Bank sponsored four free recycling days for Greenville, Highland and Marine.

We provided secure recycling of financial documents at no cost.

The Recycle Days were so well received, we will be doing it again in 2012. Dates will be announced soon.

Bradford Travel Club

The Bradford Travel Club is taking a trip to Ireland. The *Shades of Ireland* trip will be October 23 - November 1, 2012. Space is limited, so get your reservation in now.

For more information, contact Judy Schneck at 618-567-7392.

BNB Installs New ATMS

To better serve our customers, Bradford National Bank installed six new ATMs in the past few months. The ATMs are completely ADA compliant and operate more quickly.
