

## HOME sweet LOAN

### You look like a HOME OWNER!

Bradford National Bank home loans are perfect for first time home-buyers. Make the house-hunt easier by getting pre-approved with our **Online Loan Center** at [bradfordbank.com/personal-borrow](http://bradfordbank.com/personal-borrow).

### Is your money real or fake?

There has been a lot of counterfeit currency circulating in our area. Do your employees know how to spot fake currency? Bradford National Bank has a program designed to educate employees on how to spot counterfeit currency, complete with samples of bogus bucks.

If you would like this short program at your business, contact Randy Alderman at Bradford National Bank.

### FFA Greenville Work Auction

Bradford National Bank proudly participated in the annual FFA Work Auction at Greenville High School.

We are happy to sponsor FFA members Hailey Quade and John Bohn!
